Points to keep in mind:

- Avoid packing any valuable items including cell phones, video games, iPods or jewellery.
- Kids love to get dirty at camp. Avoid dressing them in new or expensive clothing if possible.
- It may be a wise idea to pack one full change of clothing to keep at your child's day camp just in case.
- Contact your child's camp if you have any questions about any of these or other items you may be considering sending along with your child.
- Make sure your child's camp & camp counselors are aware of all your child's important allergies. Consider using Oliver's Labels in any of our Allergy Designs to label your child's food containers, back packs, or even on their person with Oliver's Labels Safety Wristbands.
